DEDICATION

If it weren't for you behind us, giving us a helping hand here and discipline there, we would not be the people we are today. Your guidance helped in the formation of memories which happily end our high school career and make us ready to take that important step forward into the world of tomorrow.

CLASS HISTORY

In 1957, a bewildered group of freshmen met with their sponsors, Mr. Powell and Mr. Easterday, and began their exciting year at Memphis High. At our first class meeting we elected officers as follows: President, Linda Moore; Vice President, Don Robeson; Secretary-Treasurer, Deanna Harvey; Historian, Leslie Eager.

We went through the usual initiation ceremonies and luckily we all came out alive. After this we treated the sophomores and faculty to a wiener roast.

Deanna Harvey was candidate for Barnwarming Queen, Jeri Kroggel was Queen of the Rose Dance, and Steve Courtney was candidate for Kitchenwarming King.

During the year we had a roller skating party in Kirksville.

As sophomores we elected the following officers: President, Deanna Harvey; Vice President, Steve Courtney; Secretary-Treasurer, Jeri Kroggel; Historian, Shirley Lancaster. Our sponsor was Mr. Campbell.

This year the tables were turned and we initiated the freshmen, after which they treated us to a wiener roast.

The sophomore candidate for the Kitchenwarming King was Carly Fountain. Sandra Moore was candidate for the Rose Dance Queen, and Fero! Myers was candidate for the Barnwarming Queen.

Our junior year we elected Steve Courtney as President, Carly Fountain as Vice President; Fero! Myers as Secretary-Treasurer, and Linda Moore as Historian.

The junior candidate for the Rose Dance was Arlene Huff. Sandra Moore was Queen of the Barnwarming, and Don Robeson was Kitchenwarming King.

Our main item that year was the magazine sale, which was highly successful. The profits went to the decorating for the prom and the remainder to be saved for the senior trip.

The junior play, "They Went Thataway," directed by Mr. Powell, was presented. It was a big success.

Under the supervision of our sponsor, Mr. Schromm, we decorated for the prom. Our theme was "Southern Serenade." The banquet was held at the Methodist church. The Lions club sponsored a late, late show and served breakfast in the school cafeteria.

In our senior year, our sponsors were Mrs. Stark and Mr. MacDonald. Our officers were President, Dean Bradley; Vice President, Steve Courtney; Secretary-Treasurer, Joe Forrester and Historian, Neal Kirkpatrick.

Our candidate for the Barnwarming was Shirley Lancaster. For the Kitchenwarming, Darrell Howell, and Barbara Padgett was queen of the Rose Dance.

The senior play, "The Other You," was very successful with 12 class members in the cast.

Our main goal that year was to make money for the trip. We had workdays, car washes, a chili supper, a rummage sale, bake sales, and sold Dairy Queen coupon books.

We had three glorious days in Chicago for our senior trip. We stayed in the Palmer House and had a wonderful time. Baccalaureate was held May 14 and commencement May 18. We, the Senior Class of 1961, bid farewell to M.H.S. on that unforgettable night.

SENIOR CLASS WILL

We, the Senior Class of Memphis High School, being of sound mind after four strenuous years, do hereby make, declare, and publish this as our last will and testament, hereby revoking all former wills.

Be it known that all members of the Senior Class generously, with charity to all and malice toward none, bequeath the following class property:

Signed, THE SENIOR CLASS OF 1961

Last but not least, I leave to Linda Moore one pair of tweezers being very much in favor of her removing the phonograph needle which she was apparently vaccinated with at an early age.

The following table shows the results of the regression analysis for the dependent variable "Number of children in the household" (N = 1,000). The independent variables are "Age of the head of household" and "Gender of the head of household". The table includes the coefficient, standard error, t-statistic, and p-value for each variable.

1. The first step is to identify the problem. This involves understanding the current situation and what needs to be changed.

A large group photograph of the 1911-1912 yearbook staff and students. The group is posed in multiple rows indoors, with some individuals standing in the back and others sitting or kneeling in the front. The setting appears to be a large hall or gymnasium with windows in the background. The photograph is in black and white and has a slightly grainy, historical quality.
